Enroll

Depending on what program you're eligible for, you may need to take action during Open Enrollment, or you may be eligible to enroll any time of year. Contact a navigator for help.

Report Changes

Keep your insurance open and active by reporting changes such as new address, changes to income or household.

Free Assistance

For FREE help contact a local MNsure navigator. Navigators answer questions and guide you step-by-step with applications and renewals. Learn more at **www.insureduluth.org**.
