Volunteer Driver Program - Scott Olson at (218) 735-6886 or Kristin Deutsch at (218) 735-6873

PROGRAM DESCRIPTIONS

EMPLOYMENT AND TRAINING

Adult Basic Education (ABE)
AEOA’s Adult Education program provides a full spectrum of learning options for community members who are age 17 years or older and are not enrolled in or required to be enrolled in any school in the K-12 system. In addition, the individual must lack a secondary high school credential and/or function below the 12th grade level in any of the basic academic areas including reading, math, and the ability to read, write and understand English. ABE services include basic skill and computer training, GED preparation, English language learning (ELL), college and career preparation, and industry-specific training (i.e., entrepreneur training, carpentry pre-apprenticeship, ServSafe food manager certification, paraprofessional certification). Services are available in-person and online.

CareerForce
As a partner with CareerForce, AEOA provides under-employed and unemployed individuals with information on coping with unemployment, seeking and applying for employment, maintaining employment, as well as providing information on training opportunities and other forms of employment and training assistance. Job Clubs offer an opportunity for job seekers to network with other job seekers and to share experiences in their search for employment.

Diversionary Work Program (DWP)
The Diversionary Work Program (DWP) is a four-month program that helps low-income Minnesota families find a job. The program is aimed at helping participants obtain employment quickly and preventing them from needing additional public assistance services. Most families are enrolled in this program when they first apply for County assistance and can only be referred to AEOA by a County Financial Worker.

Family Assets for Independence in Minnesota (FAIM)
The Family Assets for Independence in Minnesota (FAIM) Program is a matched savings project to help low-wage earners build assets through purchase of a home, pursuit of higher education, or launching a small business. Eligible participants can place up to $40 a month from their earned income into Family Asset Accounts which will be matched 3:1. Income limits apply, and participants are provided financial literacy and asset-specific education in either homeownership, college preparation, or business development.

Minnesota Dislocated Worker program (DW)
The Minnesota Dislocated Worker (DW) Program helps workers who lost their job through no fault of their own find a new career. An individual typically must qualify for Unemployment Insurance (UI) benefits to be eligible. DW staff work with the unemployed worker to re-enter the workforce in a stable job within a high-demand occupation providing career counseling and planning. Resources available through the DW program can include financial assistance for approved training, housing assistance, transportation assistance, relocation assistance, childcare, and other career-related needs. There may also be an opportunity for paid on-the-job training.
Minnesota Family Investment Program (MFIP)
The Minnesota Family Investment Program (MFIP) is the state’s public assistance program for low-income families with children. The program focuses on the overall family’s well-being and provides resources to move to employment quickly, whether this be through up-skilling or through help with interview and job search skills. Referral to this program can only be provided to AEOA by a County Financial Worker.

Minnesota Family Resiliency Program (MFRP)
The Minnesota Family Resiliency Program (MFRP) is a program provided to individuals who have lost their primary source of income for reasons such as loss of a relationship through separation, divorce, death, or disability. If you lose public assistance benefits you may also qualify for the program. You must have provided unpaid household services for at least two years, have lost your primary source of income, and now find that you must support yourself or your family. Employment Counselors help individuals seek employment, assist in budgeting, teach stress management skills, and provide guidance and support, among other things. There are limited financial resources to assist clients with training costs, transportation, childcare, and housing assistance. Eligible MFRP participants may also be eligible to receive services from the Dislocated Worker program which could include additional assistance with training, transportation, childcare, and housing assistance.

Supplemental Nutrition Assistance Program (SNAP)
The Supplemental Nutrition Assistance Program (SNAP), formerly known as Food Stamps, is a program provided to adults with or without children who are seeking employment. AEOA Employment Counselors help SNAP clients in gaining the appropriate skills and abilities to obtain employment to gain self-sufficiency.

Supplemental Nutrition Assistance Program (SNAP Outreach)
The Adult Education program provides screening to community members to help them determine if they are eligible for SNAP services. That goal is to help people make an informed decision about what hunger resources are available to them to ensure an overall successful transition from poverty to self-sufficiency.

HEAD START

Early Head Start
Early Head Start provides early, continuous, intensive, and comprehensive child development and family support services to low-income infants and toddlers and their families and pregnant women and their families. The principles are designed to nurture healthy attachments between the parent and child; emphasize a strengths-based, relationship-centered approach to services; and encompass the full range of a family’s needs from pregnancy through a child’s third birthday. Applications are always welcome.

Head Start
Head Start provides comprehensive early childhood education, health, nutrition, and parent involvement services to low-income children and their families from birth until the child’s fifth birthday. The program’s services and resources are designed to foster stable family relationships, enhance children’s physical and emotional well-being, and establish an environment to develop strong cognitive skills.

HOUSING SERVICES
Business Energy Retrofit Program (BER)
The Business Energy Retrofit (BER) Program is designed to educate and help assist businesses within the Taconite Assistance Area with energy-efficient decisions and aid in financing the energy retrofit project. The BER program will support and provide the business up to $20,000 in eligible retrofit expenses or one-third of the total project up to $60,000. Applicants are required to obtain bids from local contractors and submit with AEOA’s application.

Downtown Building Rehab (DBR)
The Downtown Building Rehabilitation (DBR) Program is designed to help aid in financing code compliant construction and remodeling projects on main streets in downtowns. The DBR Program will support and provide 1/3 project cost up to $50,000 in eligible expenses. Up to 10% of awarded grant funding may be utilized for professional services such as an architect or engineer. Applicants are required to obtain prevailing wage compliant bids from local contractors and submit with AEOA’s application.

Energy Assistance Program (EAP)
AEOA’s Energy Assistance Program helps low-income residents heat their home throughout the winter by providing help and information needed to manage their fuel costs. The program provides financial grants to be used toward energy costs for residential heating bills with additional funds available for crisis situations and energy-related repairs. Households must provide verification of their incomes for the eligibility period to qualify for this program.

Homebuyer Assistance/First-time Homebuyer
The Homeownership Assistance Program is designed to promote and encourage homeownership by providing training and counseling to first-time homebuyers. We conduct a series of Homestretch Workshops, open to anyone interested in learning how to buy a home. The classes are open to anyone currently in or interested or previous homeowners. Down payment and closing cost assistance may be available to income-eligible, qualified first-time homebuyers who complete the workshop.

Homeless Services
AEOA’s homeless services are designed to keep community members housed, either through prevention resources or rapid rehousing. This includes assistance in finding housing and other support services, as well as direct assistance with rent, security deposits, mortgage, and other assistance targeted for families, single adults, and youth who are homeless or at risk of becoming homeless. Those experiencing homelessness or precariously housed should start the eligibility process by calling 211 for an intake.

a. Emergency and Transitional Housing—Located in Virginia, AEOA owns and operates the homeless shelter, Bill’s House. It consists of four units for emergency housing and eight units for transitional housing. Individuals can reside in emergency housing units for a maximum of 30 days and 90 days in transitional units. Residents of Bill’s House receive case management, which provides one-to-one supportive services to help them stabilize their lives and work on self-sufficiency. AEOA also operates two emergency apartment units in Hibbing utilizing the same support model as Bill’s House.

b. Homeless Youth Housing—Owned by AEOA, The Virginia Youth Foyer is independent and permanent living for youth who are homeless and in need of permanent housing. The building consists of 13 efficiency units and two 2-bedroom units. Youth play an active role in creating community within the Foyer as support groups, cooking groups, parenting classes, GED prep, and more take place on-site. Specialists in mental health and chemical health assist in assessment, goal planning, and case management for those young people most in-need.
c. **Housing Support Services for Adults with Serious Mental Illness (HSASMI)**—HSASMI provides direct services to adults with serious mental illness who need assistance with accessing housing. Eligible clients are screened and assessed, and an individualized housing support plan is developed. The client receives assistance with the housing search, application process, identifying resources available to cover one-time expenses that facilitates the access of housing and establishment. In addition, a housing support crisis plan is developed that includes prevention and early intervention services when the client’s housing is jeopardized.

d. **Permanent Supportive Housing**—Located in Eveleth at the Italian American building is the Single Room Occupancy program that is owned and operated by AEOA. This program consists of 12 efficiency apartments for single homeless individuals. Site-based Section 8 is provided, and individuals pay 30% of their income for rent.

The Ivy Manor Apartments, formerly known as the “LaSalle Apartments” are in Virginia. The building began rehabilitation starting December 2016 and a Grand Opening event was held in July 2018. The Ivy Manor provides housing stability to individuals who are homeless or have physical and/or emotional disabilities.

**MNsure Marketplace Assistance**
AEOA’s certified Navigator is available to provide individuals and families with free face-to-face assistance to help them achieve successful enrollment into health coverage through the MNsure Marketplace. AEOA’s Navigator provides assistance to any consumer who contacts them for help and complies with MNsure’s data privacy and security standards requirements.

**Single Family Rehabilitation**
AEOA administers a variety of programs for eligible homeowners to make basic improvements to the safety, livability, energy efficiency, and accessibility of their home. Examples of improvements include electrical wiring, furnace or boiler replacement, window, and door replacements, siding and roofing, plumbing and septic system upgrades, mold and radon mitigation, and lead-based paint hazards. You may be eligible if you: own and occupy your home, are current with property tax and mortgage payments, have homeowner’s insurance, and meet program income limits.

**Weatherization Assistance Program**
Weatherization Assistance services are available to income-eligible homeowners. AEOA’s highly qualified Energy Auditors provide client education and perform energy audits to evaluate energy usage. AEOA’s experienced and Skilled Work Crews will then complete improvements to reduce heating costs. Examples of improvements include exterior wall and attic insulation, air sealing, and home heating systems repair. Services are free for low-income households who qualify.

**SENIOR AND NUTRITION SERVICES**

**Bone Builder Classes**
Bone Builders is an RSVP Signature Program, developed by the research from Tufts University. Participants use a combination of weight-bearing exercises, balance, and strength training guided by a trained instructor. The idea behind the program is to increase muscle and bone density in seniors, prevent and reverse osteoporosis, and improve balance thereby reducing the risk of injury from falls. A side benefit is that participants experience increased energy and well-being through the socialization the group provides.
Food Shelves
AEOA provides 501(c)3 status to Food Shelves across St. Louis County to provide emergency and short-term assistance to income-eligible individuals and families who have run out of options to alleviate hunger.

Friendly Visitor Program
The Friendly Visitor Program evaluates homebound seniors’ nutrition, wellness, and home safety while providing a friendly social visit. This free service plan together to connect seniors to community resources to maintain or improve their overall health and well-being to keep in their home safely as long as possible. This program has partnerships with Age Well Arrowhead and Northwoods Partners.

Grocery Delivery Service
The Groceries-to-Go Program offers a grocery shopping and delivery service that allows seniors to remain independent. Volunteers take grocery orders, shop, and deliver the groceries. Grocery stores sign an agreement with AEOA to allow the groceries to be charged. Clients mail their payment for the groceries directly to the store and participate in cost-share to offset program expenses. AEOA operates the service in northern St. Louis County. The communities include Aurora, Biwabik, Chisholm, Eveleth, Gilbert, Hibbing, Hoyt Lakes, Tower, and Virginia.

Medical Loan Closet
The Medical Loan Closet serves community members with a temporary need to borrow medical equipment such as walkers, seated walkers, commodes, toilet risers, bath benches, wheelchairs, and assistive devices. A minimal fee is assessed for the borrowed item(s). Donations of gently used medical equipment are greatly appreciated.

Nutrition: Senior Dining & Meals on Wheels
AEOA’s Nutrition services provide a full spectrum of services for seniors to live healthy and independently. In addition to nutritious meals, the service includes nutrition screening, assessment, and education. A Registered Dietitian completes a nutritional analysis and approves the cycle menus. Meals comply with the most recent Dietary Guidelines for Americans and provide a minimum of one-third of the dietary reference intakes established by the Food and Nutrition Board The program specifically targets older adults 60 years of age or older with the greatest economic or social need, with attention to disabled, low-income, and minority individuals, as well as older adults in rural communities, older adults with limited English proficiency, and older adults at risk of institutional care.

a. Bundled Service Program - For dining patrons 60 years of age or older who live in remote areas, AEOA’s Bundled Services program makes twice-a-month deliveries to seniors that offers prepared meals that are frozen, food shelf commodities, and Nutritional Assistance Program for Seniors (NAPS) food box. Bundled Services also serves as a safety net for participants as telephone contacts, and check-ins offer opportunities to convey their day-to-day concerns.

b. Meals on Wheels - Also known as Home Delivered Meals, this is a service for dining patrons 60 years of age or older who have been assessed and are deemed “homebound.” Once prepared, the meals are packed for home delivery by volunteers. Service is available at a discounted rate. For many home-delivered meal recipients, the volunteer delivering the meal may be the recipient’s only human contact of the day.

c. Senior Dining - Dining services are offered at numerous locations such as senior housing, community or senior centers, and some restaurants for individuals 60 years of age or older. Dining patrons enjoy the company of peers, great conversation, and meals that provide over 40% of the daily intake of most key ingredients. Dining is open to all individuals 60 years of age or older with the opportunity for a reduced rate.
Rutabaga Project - The Rutabaga Project is a shared initiative between AEOA, the Iron Range Partnership for Sustainability (IRPS), the Supplemental Nutrition Assistance Program Education (SNAPed), Essentia Health, Healthy Northland, and numerous other community organizations, local food producers, and residents of local neighborhoods. The project aims to get nutritious and local food to Virginia and beyond, despite economic barriers.

a. **Community Food Forest** - The Food Forest is a large perennial garden made up of edible plants, bushes and trees. It will continue to grow each year and bear more fruits, herbs, nuts, and berries. It will eventually become a gathering place for folks who like fresh local produce and a place for people of all ages to learn more about cultivating and growing plants that thrive in our unique climate.

b. **Farmers Markets** - Through the Rutabaga Project, the Virginia Market Square farmer’s market was established. Through the support of the partners, families utilizing SNAP-EBT can shop at Virginia Market Square, Cook Area Farmers Market, Tower Farmers Market, and Hibbing Farmers Market and receive a match ($15 at Virginia and $10 at the other two). Additionally, all four markets provide $2 for children to purchase fresh fruits or veggies each week through the Power of Produce Program. Virginia and Hibbing markets also extend the Power of Produce Program to senior citizens.

c. **Arrowhead Grown** - In a joint marketing effort, spearheaded by the Rutabaga Project, an Arrowhead Grown farmers website (www.arrowheadgrown.org) and Facebook page were created to promote farmers markets across the region. The Facebook page promotes videos of local markets and shares Farmers Market dates, times, and related events. The website contains a farmers market directory that features data on all the farmers markets in Northeastern MN.

**Senior Carnival/Expo**
Annually, AEOA hosts an All-County Senior Carnival/Expo. This event is held in June. The event attracts hundreds of seniors of all ages from the seven-county region. The day is filled with fun and games, exhibitors, demonstrations, and entertainment. The event is decorated in a festive carnival theme so that attendees feel like they are attending an old-fashioned carnival.

**Supplemental Nutrition Assistance Program (SNAP Outreach)**
AEOA’s Senior Services staff and the Adult Basic Education program provides screening to community members to help them determine if they are eligible for SNAP services. The goal is to help people make an informed decision about what hunger resources are available to them to ensure an overall successful transition from poverty to self-sufficiency.

**Tax Assistance Program**
Through AEOA’s Tax Assistance Program, certified AARP Tax-Aide Program volunteers are available February 1 through April 15 to prepare Minnesota and federal tax forms for low- to-moderate-income individuals and senior citizens throughout St. Louis County. Numerous tax preparation sites are located throughout the county, with in-home preparation available for homebound residents.

**Volunteer Opportunities: AmeriCorps Seniors Arrowhead RSVP and Northland Volunteer Center**
AmeriCorps Seniors Arrowhead RSVP engages persons 55 and better in volunteer services to meet critical community needs and to provide a high-quality experience to enrich their lives. Northland Volunteer Center promotes volunteering by assisting people of all ages—including families—to find meaningful volunteer opportunities in their communities. Volunteer opportunities involve helping children read, delivering Meals on Wheels, preserving the natural environment, providing tourist information, friendly visiting, and more.
**TRANSIT**

**Dial-a-Ride**
Arrowhead Transit’s Dial-a-Ride is an on-demand system that provides transportation to individuals in our service areas. Passengers only need to call our dispatch at 800-862-0175 and select the number for their county or city. All transit buses are ADA accessible, and drivers are trained to assist passengers on and off the buses.

**Scheduled Services**
Arrowhead Transit has scheduled stops and provides a Dial-A-Ride Service in many areas.

**Volunteer Driver Program**
The Volunteer Driver Program assists individuals on Medical Assistance to get to and from medical appointments. Arrowhead Transit has contracts with four major insurance companies and with various counties in the area. The Volunteer Program encourages the individual to contact their insurance provider to see if they qualify for the program. The Volunteer Driver Program operates in ten counties including Aitkin, Carlton, Chisago, Cook, Isanti, Itasca, Koochiching, Lake, Pine, and St. Louis, and can perform medical rides in other counties in Greater Minnesota as requested by the insurance companies.
St. Louis County Services

Mission:
AEOA’s mission is to strengthen communities by providing opportunities for people experiencing social and economic challenges. AEOA provides services to community members through five major departments including Employment and Training, Head Start, Housing, Senior and Nutrition Services, and Arrowhead Transit. Not all departments operate programs in every county within AEOA’s service area.

Key staff and board members:
Executive Director: Scott Zahorik
Department Directors: Jan Francisco (Employment & Training); Emily Celley (Fiscal Services); Skip Ferris (Head Start); Cathy Pazzelli (Human Resources and Assistant Executive Director); Dave Johnson (Housing Services); Ryan O’Connell (Information Systems); Emily Bombich (Planning); Marilyn Ocepek (Senior and Nutrition Services); Jack Larson (Arrowhead Transit).
AEOA Board: The Agency is governed by a 27-member tripartite board, representing low-income individuals, elected public officials, and private sector parties. Currently, there are fifteen representatives of St. Louis County on the Board.
Board Officers: Jeff Kletscher (Chair), Kevin Adee (Vice-Chair); Laura Perry (Second Vice-Chair); Dana Waldron (Secretary); Tom Cvar (Treasurer)
Number of staff members: Two hundred seventy-eight (278) employees work in St. Louis County
Contact information: AEOA Central Office 702 3rd Avenue South, Virginia, MN 55792 (218) 749-2912, 800-662-5711; www.aeoa.org

In St. Louis County, AEOA served...
- Adult Basic Education provided service to 161 St. Louis County residents. This could include basic skills improvement, GED preparation, college and career readiness, employment skills, digital literacy, life skills, and English language learning.
- Last year, approximately 594 people who were low-income, on public assistance, or were dislocated workers were assisted with employment- and/or education-related needs.
- Head Start provided child development and comprehensive support up to 237 low-income Head Start children ages three to five and up to 90 children birth up to the age of 3 in Early Head Start.
- Head Start partners with Children’s Dental Service (CDS) to provide on-site dental examinations to children not seeing a dentist.
- Mental Health programming in northern St. Louis County is with the ADAPT program through Range Mental Health Centers in many schools. Referrals are made to mental health providers for additional services. In southern St. Louis County services are provided by the Human Development Center (HDC).
- Children received Early Childhood Special Education (ECSE) services through the school districts and the Northland Learning Center in Virginia, the Hibbing School District Special Education Department, and the Northern Lights Cooperative (Hermantown/Proctor).
- All Head Start classrooms are in 8 school district buildings at little to no cost to the program. We receive in-kind from the school districts for space use which helps meet our in-kind requirements from the Office of Head Start. School districts where our classrooms are located are Chisholm, Ely, Hermantown, Hibbing, Mt. Iron-Buhl, Northeast Range (Babbitt), Proctor, and Rock Ridge (Virginia/Eveleth-Gilbert).
• Housing Services assisted 643 individuals who were homeless in the past year.
• AEOA’s Energy Assistance Program provided support to 7,672 households with primary heat funds, 3,059 households with emergency funds, and 395 households with energy-related repairs.
• In the Calendar year 2021, weatherization services were provided to 53 homes in St Louis County, and another 19 homeowners were provided emergency home repair assistance.
• The Business Energy Retrofit program assisted 60 community business owners in achieving energy-related improvements.
• The Downtown Building Rehabilitation program assisted 6 community business owners in achieving code & accessibility-related improvements.
• Arrowhead RSVP had 586 volunteers who donated 65,247 hours, serving 89 St. Louis County non-profits, running the gamut from helping seniors to remain living at home to managing tourist attractions and small non-profits.
• Senior Nutrition provided 180,867 nutritious meals to seniors, roughly averaging 718 meals per day. Of those meals, 122,011 were delivered to older people who are homebound.
• SNAP Outreach Program assisted 158 clients applying for benefits.
• Grocery to Go Program provided 2,716 individual deliveries to 64 seniors by volunteers who provided 5,380 Volunteer hours to the program.
• The Medical Loan Closet served 67 individuals and loaned 91 pieces of equipment in 2021.
• The Food Shelf served 27,440 individuals, providing over 902,238 pounds of food over 3,896 visits in the calendar year 2021.
• RSVP Bone Builders had 7 locations in St. Louis County, with 19 volunteers giving 1,082 service hours leading Bone Builders classes with 94 participants.
• AARP Tax Aide Program in St. Louis County had 35 volunteers who gave 6,307 service hours to prepare taxes at no cost to lower-income residents and senior citizens.
• The four farmer’s markets have served a total of 12,741 individuals 249 SNAP EBT customers spent $5,353 at the Farmer’s Market this year, 97 were new customers. An additional $2,870 were given to the EBT customers in dollar match funding from Hunger Solutions.
• The Friendly Visitor Program had 180 seniors participate in evaluations of nutrition, wellness, and home safety as well as the development of care plans and assistance in connecting these seniors to community resources. Over the year, 821 connections were made with seniors by home visits, telephone calls, emails, or texts.
• Arrowhead Transit provided 121,006 rides to St. Louis County passengers, totaling 578,471 miles.
• The Volunteer Driver Program had 35 volunteers and provided 26,185 rides.

AEOA is committed to continuing our strong partnerships within St. Louis County. We are proud of the work we do to help struggling households meet their basic needs met; homebound seniors live in their own homes; people find work and have the transportation to get there and make sure that low-income children are prepared to enter kindergarten. We currently have two hundred seventy-eight (278) people working in St. Louis County who contribute to the local economy and are very dedicated to the services they provide.
