In-network and Out-of-network coverage

Perks of seeing an in-network dentist include: (Delta Dental PPO™/Delta Dental Premier®)

- Network savings on covered services
- No balance billing
- Annual benefit dollars go further
- Dentists submit claims directly to Delta Dental
- Delta Dental sends plan payment directly to dentist

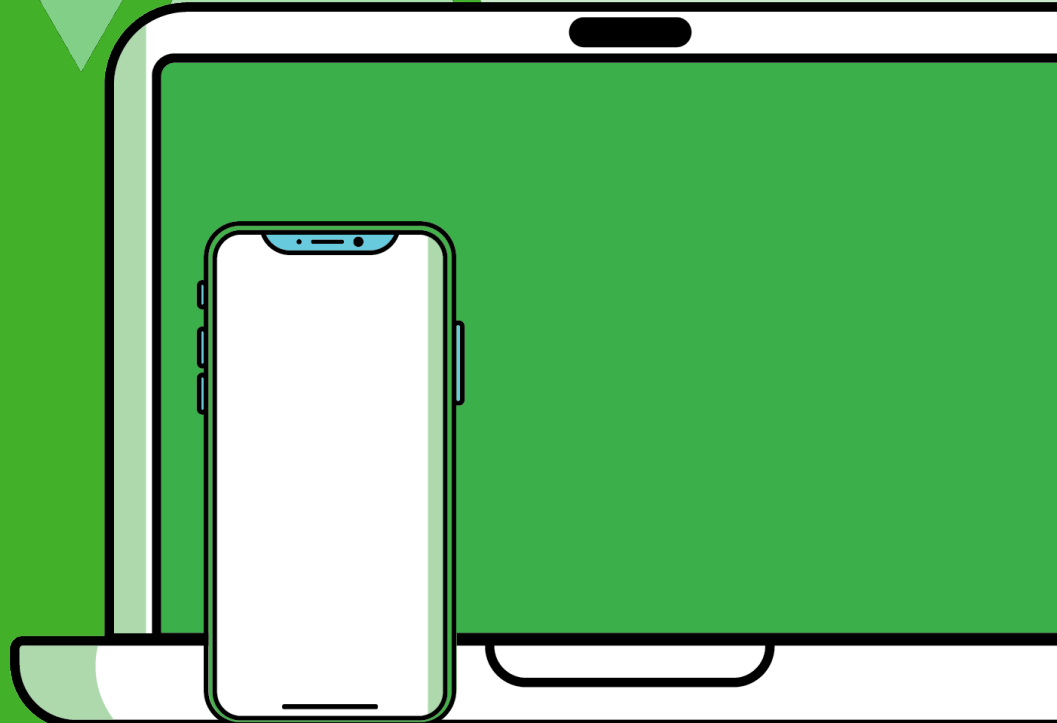

What happens when you visit an out-of-network dentist?

- If the dentist's fees are higher than Delta Dental's allowable charge, you may be responsible for paying the difference.
- You are responsible for submitting a claim form to Delta Dental, though your dentist may assist you
- Benefit payments go directly to you.
