Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage Period: Beginning on or after 01/01/2019

Coverage for: Single and family | **Plan Type:** HSA

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.** This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.bluecrossmnonline.com or call 1-866-873-5943. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-873-5943 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	<p>\$3,375 individual medical and drug Network</p> <p>\$6,750 family medical and drug Network</p> <p>\$6,750 individual medical and drug Out-of-Network</p> <p>\$13,500 family medical and drug Out-of-Network</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.</p> <p>This plan has a non-embedded deductible. For single plans, the plan begins paying benefits when the single deductible is met. For family plans, the plan begins paying benefits when the entire family deductible is met. The family deductible can be met by one or a combination of several family members.</p>
Are there services covered before you meet your deductible ?	Yes. Well-child care, prenatal care and Network Preventive care services are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	<p>\$5,000 individual medical and drug Network</p> <p>\$10,000 family medical and drug Network</p> <p>\$20,000 individual medical and drug Out-of-Network</p> <p>\$40,000 family medical and drug Out-of-Network</p>	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

Will you pay less if you use a network provider?	Yes. See www.bluecrossmnonline.com or call 1-866-873-5943 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
