

Eligible Expenses

This page outlines which items are approved expenses that can be paid from a health savings account (HSA) or medical flexible spending account (FSA). This list of items indicates whether a purchase is eligible, potentially eligible (under specific conditions), or ineligible.

Definitions

- **Eligible:** Medical expenses that can be reimbursed through your medical spending account include services and supplies incurred by you or your eligible dependents for the diagnosis, treatment or prevention of disease or for the amounts you pay for transportation to get medical care. In general, deductions allowed for medical expenses on your federal income tax according to Internal Revenue Code Section 213 (d) may be reimbursed through your HSA. You cannot deduct medical expenses on your federal income tax that have been reimbursed through your HSA. It is possible that changes in the IRS rules can affect the eligible, potentially eligible, and/or ineligible expense categories.
- **Potentially Eligible:** In order to determine eligibility for potentially eligible items, Further requires a Letter of Medical Necessity (linked below) from your health care provider.
- **Ineligible:** Products and services that are not HSA eligible. In most cases toiletries, cosmetics or products/ services that are likely to be primarily for general health and well being are ineligible.
- **OTC:** Over the counter. Medicines or drugs except insulin (for example, aspirin, cold remedies, or allergy medicines) are not eligible for reimbursement under an HSA (or medical FSA) unless the medicine or drug is "prescribed" (regardless of whether a prescription is required to obtain the item). Other OTC medical items noted with "OTC" (such as bandages or contact lens solution) are eligible without a prescription.

Item List

Note: This list does not apply for HRAs. For an HRA, the eligible products and services are determined by your group or employer. If you have eligibility questions about your HRA, check with your benefits administrator.
