

## What is PAL?

The Power Action Leadership (PAL) Fund is a fund set up through AEOA where payroll deductions are put towards:

- Lobbying
- Representation in advocacy coalitions
- State and Federal Contacts in legislation and in the Governor's Office
- A collective voice on poverty and low-income issues
- A voice to represent our agency for important legislative decisions such as budget and program reductions

Payroll deductions to the PAL fund are voluntary. However, please keep in mind that without funding for lobbying, AEOA will not have a strong voice during important legislative decisions on both the state and federal levels.

**Without a strong lobbying voice, AEOA is subject to:**

**Budget Cuts**

**Program Reductions**

**Unmet Client Needs**
