

Parent Volunteers Policy

Arrowhead Head Start will provide a variety of volunteer opportunities for parents that are relevant to the needs and best interests of Head Start children, parents, and families. These opportunities may lead toward an increase of knowledge, skills, self-enrichment, self-confidence, and self-sufficiency. The program will follow clear guidelines for volunteers to ensure the safety, well-being, and positive development of children in our care.

This policy complies with Head Start Performance Standard 1302.94, 1302.50 and Minnesota Department of Human Services Statute 142B.65.
