

Research and Public Relations Policy/Procedure

To ensure compliance with the Minnesota Department of Health and Human Services Licensing.

Policy/Procedure:

- Staff must obtain written parental permission before the publication and or printing of any picture or videotaping of children to be shown publicly.
- The parent must sign a permission for each release of publication.
- The individual child's signed permission forms must be kept in his/her file on site.

Approved by Policy Council on March 16, 1999
