

Transition Services

Arrowhead Head Start will implement strategies and practices to support successful transitions for children and families when moving between programs. Transition opportunities include transitioning from Early Head Start to Head Start, Head Start to Kindergarten, Early Head Start or Head Start to community programming or out of community programming.

Arrowhead Head Start will collaborate with families to help parents advocate for and promote successful transitions.

This policy complies with Head Start Performance Standards 1302.70, 1302.71, and 1302.72.
