

Use of Media

Policy:

The use of media, such as smartboards, television, DVD's, CD's, I-pads and tablets, etc. will be limited to educational, developmentally appropriate programming. Media is used to enhance or supplement the curriculum and should not replace active hands on staff facilitated learning experiences. Media should not be part of the regular daily routine and when it is used, it should be listed on the weekly lesson plan.

This policy complies with Head Start Performance Standard 1302.32
