VII. **DIRECTOR’S REPORT:** Norman “Skip” Ferris III reported on the Federal level that the Head Start 2018-2019 budget passed. Head Start received additional funding to support Head Start programs that have been damaged by hurricanes. Nurse Home Visiting was extended 5 years and the Child Care Block Grant funding was doubled.

$63 billion was given to the Appropriations Committee to award to discretionary priority programs. Head Start falls under this category. Skip will keep members updated as to where the funds will go, especially if some funds go to Head Start/EHS.

MHSA Head Start Heroes awards were announced and one of the awards was won by one of our EHS family’s. The award was given in honor of most significant changes made by a family in the last 12 months. The ceremony will be held in the twin cities on March 14th at the Minnesota Science Museum.

Skip presented the Program Information report to members for year 2016-2017. Skip summarized the reading of the report. Members are encouraged to contact Skip with any further questions they might have.

Because the AEOA Board of Director’s has delayed the 2nd phase of the AEOA salary increase not being executed this year, we have some extra dollars to spend. Skip recommended that Head Start purchase another van and 2 Spot Vision screeners. Our
Region V program specialist recommended that Skip do a budget revision in the current grant to purchase these items. The purchase of another van will help keep costs down on mileage reimbursements. **Cathy Zelinski moved to accept the budget revision to purchase another van and 2 vision spot screeners, supported by Diane Taylor. Motion carried unanimously.**

Skip recommended that members read the Director’s reports in their folders on their own. **Diane Taylor moved to accept the Director’s Report, supported by Angela Walker. Motion carried unanimously.**

A matrix was handed out to demonstrate the different goals for measuring different ages of children to make sure children are developing as they grow.
