VI. REPORTS:

VII. DIRECTOR’S REPORT: Norman “Skip” Ferris III presented updates from the state. Pathway I and II Scholarships included a 20 million dollar increase. Pre-schoolers with siblings under age 3 will be eligible for Pathway Scholarships if the parent is under the age of 21 who is pursuing a high school diploma, a GED, is in foster care, homeless, or is in need of child protection. There is 12 million dollars available for biennium for home visiting programs. This funding will encourage programs to work together between nurse and regular home visitors. The Childcare Development Block Grant was awarded 12 million dollars.

The Department of Human Services will be visiting our Head Start program on an annual basis. New background studies will need to include a sex offender registry check, Federal FBI check and a state level check. Head Start is required to run this within 90 days of new staff employment and every 5 years for current staff.

Dental reimbursement rates have been increased for Medical Assistance to hopefully enable more dentists to serve low income children.
On the Federal level, Head Start was awarded 85 million dollars to cover a 1% cost of living adjustment. The Senate is working behind closed doors on the Health Care Plan. Skip passed out a flyer to members so they can call Congress and help protect Medicaid for children and families. The House versions shows 23 million people would lose their current health care.

Skip was part of a panel for the 11th Annual Nancy Latimer Convening for Children on June 6th at the Science Museum. The topic was the Health of Children. The Panel was for meeting the whole child needs through programs, partnerships and collaboration.

Summer staffing is in place right now. The majority of staff are laid off until their return in August.

Kristy Johnson asked to share her concerns over the “new” Late Pick Up Policy that was passed at the April meeting. She did some research on other Head Start Late Pick Up Policies throughout the state and none are as punitive as the one that was just passed. Kristy passed out an average Late Drop Off/Late Pick Up Policy to show her concern. A discussion was held. Kristy Johnson made a motion to re-visit the Late Pick Up Policy and have a committee get together and work as a group, supported by Colleen Port. Motion carried unanimously. Kristy Johnson and Julie Louks would like to be on this committee. Doris Wehrenberg moved to accept the Director’s Report, supported by Diane Taylor. Motion carried unanimously.

Our new standards require our staff to find out why students are missing classes and encourage our parents to get them to school.

D. HEAD START REDUCTION APPLICATION- We need to revisit our application due to the Board of Directors recommendation that the second phase of the AEOA wage increase be put on hold until we know what the FY 2018 budget brings. The FY 2018 Budget begins October 1st. Our new reduction request will be for 24 Head Start children instead of 51 which is now less than 10% of our program enrollments. It will not have to be approved in Washington DC but only at the Regional office in Chicago. Diane Taylor moved to accept the reduction of 24 children to be submitted in the application, supported by Doris Wehrenberg. Motion carried unanimously.

E. VIRGINIA TODDLER CENTER- It is with great sadness that our Toddler Center will be closing on June 30, 2017. Our staff have been given their official notice. E. **POLICY COUNCIL MEETING SCHEDULE Wednesday August 9, 2017** - at 9:30 a.m. at AEOA in the conference room in the basement. Policy Council recognition at the completion of the meeting.

F. **PARENT & COMMUNITY REPRESENTATIVE REPORTS:** None.

XII. **MISCELLANEOUS DISCUSSION:** Some members would like to receive their minutes and agenda via email rather than regular mail. Tracy Sandnas will bring a form to the next meeting for members to choose the way they prefer to receive their minutes.

Some parents were unaware that there insurance is billed for fluoride varnish treatments. While this is listed on the form that parents sign authorizing fluoride varnish, some parents didn’t remember this because of all the forms they go through and sign for the program. The concern was if we bill for fluoride varnish and then their dentists bill for this, the dentist may not get reimbursed and the dentist will bill the parents. Skip will meet with the Family Support Specialists on this when they return on July 10th and with Tracie Wilcox when she returns in August to discuss this.
XIII. **ADJOURNMENT:** Doris Wehrenberg moved to adjourn the meeting, supported by Louks. **Motion carried unanimously.** The meeting was adjourned at 12:00 p.m.

Respectfully submitted,
