

Arrowhead Head Start – Full Year Fire and Tornado Drill Log

Licensed child care centers must meet requirements in [Minnesota Rule 9503.0110, Subp. 3](#)

The licensed center must conduct one fire (evacuation) drill every month and one tornado (shelter-in-place) drill monthly from April to September. The date and time of the drills must be documented.

Document the date and time of every drill. Send this log to your Program Manager at the end of the calendar year.
