

Use of Media

Policy:

The use of media, such as television, DVD's, videotapes, CD's, I-pad etc. is limited to educational, developmentally appropriate, and culturally sensitive programming. Media are used to supplement curriculum or as a special event rather than as part of the regular daily routine.

Approved by Policy Council on February 16, 1999

Revision approved by Policy Council 3-22-2005, 6-12-2013
